President's Message 2023

Welcome to the 138th Annual Stisted Fair.

After two years without a Fair due to the pandemic we are happy to say that the Stisted Fair was back in full force! September 10 was a perfect day (although quite hot) and was well attended. The hall was bursting with entries, families came out to join in the games and the horse show, although not as large as we've had in the past, was still a success.

We were able to host once again Tina Turley's "Hoot" on June 18. And on August 13 & 14 our dedicated team of Directors and Associate Directors went to work repairing animal pens, painting and mending corral fences, replacing rotting boards in the concession stand deck, filling in the ruts in the field, cleaning the hall (like it's never been cleaned before), replacing old vinyl tabletop coverings with fresh plastic and washing the windows!! The place sparkled!

And now on to new business...the Board of Directors have decided that it's time to build a shelter that will stand on the grounds. This structure will protect us from the sun and the rain. We cannot do this alone. Please consider donating to this cause—product, time, funds—any support would be appreciated!

I want to thank all those that work together to make this "Little Country Fair with a Big Country Heart" the best Fair there is!

See you at the Fair!

Sincerely,

Jeanine Spring
President, Stisted Agricultural Society
